

CABINET & DRAWER ACCESSORIES

Anti-slip Liner

European-designed and manufactured anti-slip, anti-static liner

Keeps everything secure, cushions and protects surfaces

Polystyrene rubber liners are finished with a dimpled surface that provides a non-slip grip

Non-adhesive for easy removal and cleaning to maintain hygiene

Other Uses? Put a sheet of anti-slip liner under sofa cushions to keep them from sliding out of place. Use as a jar opener in the kitchen. Use in your workshop tool chest to keep tools in place. Use in fridge vegetable crisper to cushion your veggies and make it easier to clean - no need to remove entire drawer.
